THE FIRE LION

불사자

A fire-breathing lion, a black panther in the snow — a three-minute fable painted in motion.

YEAR	2026
RUNTIME	3:11
GENRE	AI animation
ASPECT RATIO	2.39:1
LANGUAGE	No dialogue
SUBTITLES	—
COUNTRY	South Korea
STATUS	Official Nomination — Burano AI Film Festival

SYNOPSIS

A fire-breathing lion sets the savanna ablaze. Winter comes, and a black panther walks through the storm. A single tear and a swarm of fireflies change the path, and fire turns to flowers again. An AI animation painted in the texture of oil pastel, set to Scott Joplin's "The Entertainer."
